FEATURING VERSITEC SERVICES & OFFERINGS

PROFESSIONAL SERVICES

Cranel Imaging's Professional Services Team will help your customers realize the full value of their technology investment quickly and efficiently. Working hand-in-hand with you as our partner, our team of manufacturer-certified consultants will assist you to assess the specific requirements of each customer, configure a winning solution, and seamlessly install the technology.

V-CARE®

V-CARE® is a customized, all-inclusive scanner service and maintenance solution. Proactive and complete, it extends the life of your equipment and can even deliver a higher ROI. V-CARE® integrates your break/fix service, preventative maintenance and consumable parts needs to keep your scanners operating at peak performance.

ADVANCE EXCHANGE PROGRAM

With the Versitec Advance Exchange Program, you can replace your malfunctioning scanner through next-day delivery. Versitec's Advance Exchange simplifies replacement and eliminates unnecessary expenses:

- Service contract covers 100% of your scanning equipment
- Next business day replacement
- Contract price is comparable to new equipment costs but eliminates other expenses
- Asset tracking for your entire scanner fleet – quantities, locations, serial numbers
- Fixed operating budget vs. variable capital expenditures
